

# LOST OR DAMAGED LIBRARY BOOK?

## Consider Replacement Books for NJES Library

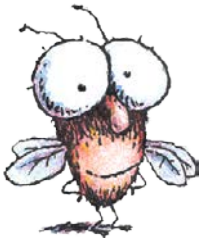

Parents: Please consider purchasing a new book as replacement for your child's lost or damaged library book. These are series of books that are popular with kids at NJES. This system will help us to keep more popular in-demand books in the library for students to check out. (Checks for the amount of the lost book are also accepted. Make checks payable to NJES Elementary.)
